

Emma Rossetter, BookSmiles Ambassador

Emma has collected over 8,100 books for BookSmiles. She started collecting in August of 2022 when she learned about BookSmiles and realized there was no drop off location in Mount Laurel. She has worked hard with Hartford Upper Elementary School to set up a permanent drop off bin at the school. Emma has always loved reading and wants to help others develop the same love of reading. Emma attends Mt. Laurel's Hartford School and is a Girl Scout, dancer, gymnast, cheerleader, and cellist. She is also a member of the National Elementary Honor Society.
